May 2018

Dear Parents,

The end of the year is just around the corner. However, we all know that learning does not and should not stop during the summer months. We hope that our students will have the opportunities to maintain and strengthen the skills they have learned this year at Holy Family Regional School. One important way to do that is to encourage reading throughout the summer. We are providing a list of recommended books at each grade level. Three books are starred to indicate that they are required reading. Your child's teacher may indicate what your child needs to do as a written response after reading the required books. It is our hope that all the children will add reading books to their list of "things to do this summer."

For children entering seventh grade the following books are required:

One fiction book:
Anything but Typical - Nora Raleigh Baskin Jason
Full Cicada Moon - Marilyn Hilton
Saving Lucas Briggs - Marisa de los Santos

AND

One non-fiction book:
Almost Astronauts: 13 Women Who Dared to Dream - Tanya Lee Stone
Navy Seal Dogs: My Tale of Training Canines for Combat - Mike Ritland

After reading the required books, each student entering seventh grade is to complete a project according to the details on the attached document. This information is also available online via the school webpage and the Announcement page of my site.

Additional recommended reading: Try the other choices!
