

PENN-DELCO SCHOOL DISTRICT
Aston, Delaware County, Pennsylvania 19014

Dear Parent/Guardian:

- (1) All children entering school for the first time, whether it be kindergarten or first grade, are to have physical and dental examinations.
- (2) All children entering grades 6 and 11 are required to have a physical examination.
- (3) All children entering grades 3 and 7 are required to have a dental examination.

We strongly encourage you to have these examinations done by your own physician or dentist. However the district does provide a physician or dentist, if necessary.

If you are planning to have your child examined by your own physician or dentist before the opening of school, the necessary forms are available now. These forms must be returned to the school nurse by October 15th. Please have your physician and/or dentist complete and sign them. These examinations must be done within one year of the opening of the school term, to be acceptable.

____ My private physician will do the physical examination.

____ My private dentist will do the dental examination.

____ I want the physical examination to be given at school.

____ I want the dental examination to be given at school.

PLEASE NOTE: If the completed forms or this letter are not returned by October 15th your child will automatically be scheduled to be examined by the school physician or dentist as needed.
