

September 9, 2020

Shining OUR LIGHT INTO THE 2020-21 School Year!

Dear Parents and Families,

A great start to our new year today. Our students and staff were safe, socially distant and eager to learn and grow! It was wonderful to take this important first step!

More information will be shared in the days ahead but a few important timely updates:

1. Parents please remember to monitor your children's health each morning, if they have symptoms of illness please keep them at home. It is important that everyone be vigilant. - Thanks!
2. Our new arrival location (all entering through Degan Hall Doors is working well - thanks for your patients.
3. **EARLY DISMISSAL THURSDAY AND FRIDAY - AS you arrive for CAR RIDER Pick Up (dismissal will start for Pre-k at 11am and older students at 11:10am). Please know there are funerals scheduled in the Church on both days - this will result in congestion - it is important that all are cautious and patient. Parking closer to Donelley Ave will help - normally we will not have the "Funeral Parking Conflicts" but this is unavoidable Be Alert.**
We are also asking that all cars exit to the left on to Donnelly Ave. to ease the congestion with the bus traffic.
4. Our September 10, 2020, in person Back to School Night is **cancelled** until further notice. Teachers and OptionC blasts will be supplying key information. Watch for more updates soon.
5. Please sign and return the important Archdiocese of Philadelphia School Waiver that is attached via your child's teacher. Your attention is required and appreciated.
6. For your information, we have also attached a list of our 2020-21 staff. I hope you will agree it is a great team of educators! This information with links to the can be found on our website: <https://holyfamilyaston.org/staff>

Sincerely,

Charles Hughes
Principal
